

SPECIFIC GOALKEEPER U9 to U16

SUMMER 2023

Program presentation and objectives

This program is open to all children born **between 2014 and 2007** already enrolled in a program at CS Aylmer. The goalkeeper is a very important position in soccer. It requires qualities and work that are different from other players. In order to prepare the children who wish to become goalkeepers, we offer a specific program of 1 hour per week during which they will work on the different technical skills necessary to perform in this position (taking the ball, diving, aerial exit, communication, anticipation, ...).

Program content: 1 time per week

12 weeks of practice once a week on a synthetic field in the Aylmer sector. The program will run from **Saturday June 03 to Saturday August 19** (included).

In case of cancellation (special weather conditions)

- Information will be posted on our website " aylmersoccer.qc.ca ", on our Facebook page and you will be notified by email.
- Training sessions cancelled due to bad weather conditions (high heat, storm...) will not be rescheduled.
